

Earth Bare

Dependent - despair.
Dirt – Water & Oxygen
Slippery slope for man
Middle ground gone
Duress & Fear- pump through the air...
Strip mines, Bombs, Refugees, War.
Human despair.
Plastic the score.
The promise- Free - Stuff
A pyramid scheme
Packaged in a pill -
Stop listening - Go to sleep
Humanity crushed in greed.
Brazil pride and self-worth,
Blaze forward- Care not- Text a Play
Risks accountable
No peace - for source
No place for empathy
Plodding the course
Take
No responsibility.
Focus on gain.
Acts turn of rage.
Policies – Guns & Blame.

Running fast- the Craze.

the Earth Cries as the Sun Screams and the Ice Melts while the Animals Die.

Act Now- Think of tomorrow. Without your pride.

Wake up - Wake up – Wake up-

-this is Not a Dream to shake off and ignore we need peace on the scene.

this day - Today – a chance change.

The Mother- The earth, has felt great pain.

Its time stewards- to CARE.

Otherwise Beware.....
